The annual David Manlove Memorial Tournament is a single-day memorial baseball and softball tournament that raises awareness about substance abuse. We welcome 6U-12U rec travel/all-star teams as well as 13U-16U full-time travel teams.

This tournament was started in 2002 in memory of David Manlove, who played baseball at our facility from 1990-97 but died in June 2001 from cardiac arrest caused by huffing. All proceeds from this tournament – including donated concession stand worker wages and umpire fees – are presented to The 24 Group ([www.the24group.com](http://www.the24group.com)).

**\$175  
PER TEAM**
