

OYO'S CHALLENGER PROGRAM IS BACK

**DON'T LET A DISABILITY HOLD BACK
YOUR BALLPLAYER THIS SEASON!**

Let's play ball! Come one, come all! That's the OYO Way. OYO proudly offers the community's only Challenger program. This special division removes the barriers that keep ballplayers with mental and physical disabilities off the ballfield and lets them experience the joy of playing baseball. So sign up your ballplayer and spend a Spring Season making new friends, building self-esteem and playing the game!

The Challenger program is open to any interested male or female ballplayer age four and older, and there is no age limit.
